PE lesson pathway

1.) Revisit/retrieve- retrieve children's knowledge of previous learning.

2.) Warm up- revisit components from previous lessons.

3.) Share the LO/vocabulary- What will the children be learning today? How are the children going to achieve the LO?

4.) WAGOLL- model and teach new content and vocabulary.

5.) Practise, embed and apply- children have the opportunity to practise, embed and apply the skill to ensure fluency.

6.) Evaluate/reflect- evaluate their own and others performances.

AFL/questioning throughout
